Always Was Sick.

When a man says he always was sick—troubled with a cough that lasted all winter—what would you think if he should say—he never was sick after using Ballard's Horehound Syrup. Such a man exists.

Mr. J. C. Clark, Denver, Colo., writes: "For years I was troubled with a severe cough that would last all winter. This cough left me in a miserable condition. I tried Ballard's Horehound Syrup and have not had a sick day since. That's what it did for me."

Secure Life Insurance.

The last legislature passed a law requiring all life insurance companies to invest 75 per cent of their income in this state. The Southwestern of Dallas does this by loaning to policy holders, to pay premiums. It is as safe as U. S. bonds. Last policy received was No. 13,400; 80 per cent of old men are in poverty, forced to labor, when not able. It is a duty to protect old age and loved ones. Secure a short term policy, which will protect your old age if you live long, and your family if you die soon. We have no lease on life! Why delay a duty? Husband and wife should both have protection for their children. It is a savings bank for young men. Call on C. C. Doyle, Agent. 19-5f

"A New One on Me."

Stranger to Citizen—How many Drug Stores in Palestine?

Citizen—Six and a half.

Stranger—Six and a half? Well, that's a new one on me. How do you make that?

Citizen—Well, Patrick's is the half; that is, I reckon it's a half; he's only got one door. But it's the biggest Drug Store you ever saw to the size of it. You can get nearly anything you want there, and get out with it quicker than any place in town. Yes, sir, give Patrick a trial, and if he don't treat you right let me know it.

why your baby should be thin, and fretful during the night. Worms are the cause of thin, sickly babies. It is natural that a healthy baby should be fat and sleep well. If your baby does not retain its food, don't experiment with colic cures and other medicine, but try a bottle of White's Cream Vermifuge, and you will soon see your baby have color and laugh as it should.

Waited For His Change.

"Young man," said the clerical looking customer to the clerk at the book counter, "that purchase of mine amounted to one dollar and fifty cents I believe."

"Yes, sir."

"Well, I gave you a two dollar bill at least twenty minutes ago and I haven't received my fifty cents back yet."

"Very sorry, sir," replied the clerk, "but you know what the Good Book says on this point." And politely handing the customer a Bible, he pointed to Job, fourteenth chapter, fourteenth verse: "All the days of my life will I wait till my change comes." —Bohemian.
